ABOUT THE EVENT

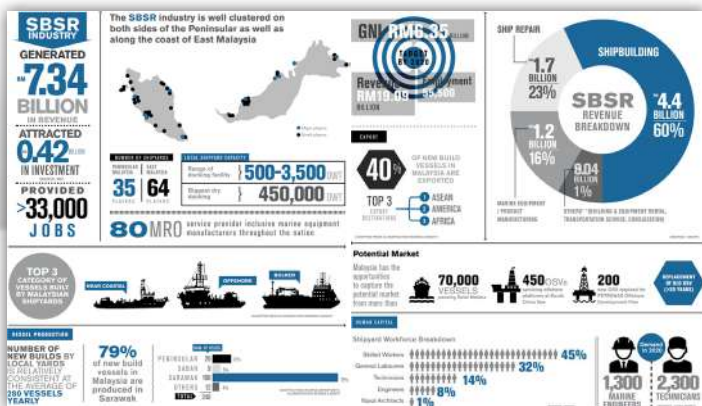

Malaysia International Marine Expo (MIMEX) is an international maritime and offshore industrial event that brings an international congregation of companies together in Malaysia. It is slated to be Malaysia's most comprehensive international business platform encompassing all aspects of safeguarding, ship building, ship repairs, shipping, maritime engineering, offshore engineering & technology, ports & logistics and more. The event is an exceptional meeting point for the global maritime community in Malaysia, a region where the industry remains buoyant and strong growth is set to occur. Malaysia International Marine Expo 2023 (MIMEX 2023) will bring together leading industry players.

FACTS OF THE MARITIME AND SHIPBUILDING INDUSTRY IN MALAYSIA

The Ship Building and Ship Repair (SBSR) industry is identified as a strategic industry due to its numerous spillover effects, and is recognized by the Organization for Economic Cooperation and Development (OCED). There were around 100 yards and 40 companies supporting the SBSR industry in Malaysia. However, half of vessels required by local ship owners annually are built locally and most large offshore structures owned by local companies or used in local waters are imported.

Nowadays, the local SBSR industry is heavily influenced by the advent of technologies. The leading shipyards in the country are able to build fairly sophisticated middle size vessels, offshore support vessels (OSV) for clients in the United States, Europe, Australia and New Zealand as well as service large size vessels.

As marine repair and refurbishment have been a mainstay of our business and it provides a fairly steady source of revenue and income, capacity expansion is deemed essential to remain relevant and compete effectively for a greater slice of the market share.

30,000

DEADWEIGHT TONNAGE (DWT)

Malaysia has the capability of building vessels up to 30,000 Deadweight Tonnage (DWT).

99

REGISTERED SHIPYARDS

Registered Shipyards undertaking SBSR activities in Malaysia.

WHAT PEOPLE SAID ABOUT OUR PAST EVENTS ?

Maritime Pilots Malaysia (MPM)

MIMEX is indeed the inspiring avenue for every maritime related businesses and companies to expand its business horizon in the Asia region. I gained strength in business networking and knowledge at its exhibition, conference, forum and events. It covers the widest maritime spectrum. Undoubtedly, MIMEX is the next frontier for all maritime leading businesses to showcase their products and services, responding to the development of maritime businesses and technologies.

Royal Malaysia Navy

MIMEX 2018 had been successfully conducted and had become an important avenue for the local and regional maritime industry players to exchange ideas, views and technology. The Royal Malaysian Navy had been privileged to be a part of this event and our best wishes to the organizer for the future events.

VJ Engineering Solutions Sdn. Bhd.

MIMEX - a world class Marine Exhibition in Malaysia! This is the biggest & best meeting point of the entire Maritime Industry in Malaysia, with excellent & quality delegates & visitors. Not to forget, NRG Exhibitions Team - the organizer doing a fantabulous job every year, they are a thorough-professional who organises top-notch world class exhibitions in Malaysia. We wouldn't miss an opportunity to exhibit at MIMEX! See you all again in MIMEX 2020!

Masson Marine Propulsion Pte Ltd

"I always look forward to be part of MIMEX. Been a great event for me to network and also to spend some time with my customers. Looking forward to be part of the next MIMEX show."
